

Subject: **PAH (polycyclic aromatic hydrocarbons) CERTIFICATION, position of Bonesi Pneumatik S.r.l.**

EUROPEAN REGULATION 1907/2006/EC REACH [(EC 1907/2006/EC, Annex XVII, entry 50)]: European regulation in force since 1 June 2007 concerning the registration, evaluation, authorisation and restriction of chemicals, specifically **POLYCYCLIC AROMATIC HYDROCARBONS**.

Bonesi Pneumatik S.r.l. — Via A. Robino, 117 — 20025 — Legnano (MI), Italy

Declares that:

The Company's manufacturing activity involves the processing and assembly of purchased finished products and/or semi-finished products manufactured at the Legnano production facility, containing substances covered by **Regulation 1907/2006/EC REACH**.

The substances covered by the Regulation, contained in the products and processes and subject to registration requirements, are used in quantities well below 1 (one) tonne/year and at concentrations below 0.1% by weight of the product's total weight.

The substances used in the processing and assembly of such products, considering the concentrations indicated above, are exempt from registration.

Bonesi Pneumatik S.r.l.'s suppliers are aware of **Regulation 1907/2006/EC REACH** and will therefore comply with the obligation to register and inform the Customer (Bonesi Pneumatik S.r.l.) should substances subject to registration requirements be introduced in the future into the processes or products supplied to Bonesi Pneumatik S.r.l.

Bonesi Pneumatik S.r.l. hereby undertakes to promptly inform its Customers should one or more substances included in the list of substances covered by **Regulation 1907/2006/EC REACH** be introduced in quantities that would require registration.

In particular, this declaration specifically concerns **PAH substances (Polycyclic aromatic hydrocarbons (PAH))**: **(a)** Benzo[a]pyrene (BaP), CAS No. 50-32-8; **(b)** Benzo[e]pyrene (BeP), CAS No. 192-97-2; **(c)** Benzo[a]anthracene (BaA), CAS No. 56-55-3; **(d)** Chrysene (CHR), CAS No. 218-01-9; **(e)** Benzo[b]fluoranthene (BbFA), CAS No. 205-99-2; **(f)** Benzo[j]fluoranthene (BjFA), CAS No. 205-82-3; **(g)** Benzo[k]fluoranthene (BkFA), CAS No. 207-08-9; **(h)** Dibenzo[a,h]anthracene (DBA_hA), CAS No. 53-70-3.

Furthermore, based on the list of substances published in the documents issued by ECHA, update ECHA/NR/26/06 (dated 4 February 2026), we declare that all **Bonesi Pneumatik** products do not contain SVHC substances at concentrations $\geq 0.1\%$ by weight.

In light of the STUDIES carried out and the data OBTAINED THEREFROM, it is DECLARED that:

Bonesi Pneumatik S.r.l. products comply with Directive 1907/2006/EC REACH and do not contain substances in quantities requiring registration, including the PAH substances specified above and the substances included in the SVHC list updated by ECHA on 04/02/2026.

Legnano, 16 April 2026
